

ACCESS TO CARE ...

You're invited!

diabetes

Come to our next **Diabetes Support Group Meeting**

Diabetes support group meetings provide information and support for individuals dealing with a diabetes diagnosis, symptoms and/or treatment protocols.

Join us to ...

- Learn useful and up-to-date information and strategies that will help you manage diabetes to achieve your best health.
- Share your experiences with others who understand the everyday and long-term challenges posed by diabetes.

There is no cost to attend and you are welcome to bring a family member, friend or caregiver.
